

Quote	
1	<i>“admission was delayed by 15 days due to a covid case on the ward.” (HCP QR)</i>
2	<i>“an adult bed was identified for the patient but then they got covid and the bed was given to another patient.” (HCP QR)</i>
3	<i>“Our paediatric ward were not taking young people because they were full of adult COVID patients.” (HCP QR)</i>

Table 4 Quotations to illustrate the theme: COVID-19 delayed admission and transfer.
