

CORRECTION

Correction to “Defining and unpacking the core concepts of pharmacology: A global initiative”

Guilding C, White PJ, Cunningham M, Kelly-Laubscher R, Koenig J, Babey AM, Tucker S, Kelly JP, Gorman L, Aronsson P, Hawes M, Ngo SNT, Mifsud J, Werners AH, Hinton T, Khan F, Aljofan M, Angelo T. **Defining and unpacking the core concepts of pharmacology: A global initiative.** *Br J Pharmacol.* 2024 Feb;181(3):375–392. doi: <https://doi.org/10.1111/bph.16222>

In Table 2, point 6.3, the text “The lower the value of K_d , the higher the concentration of drug required to occupy a proportion of target.” was incorrect. This should have read “The lower the value of K_d , the lower the concentration of drug required to occupy a proportion of target, and the higher the affinity.”

The online version of the original article has also been corrected.

We apologize for this error.
